

1968 CHS Football Championship

AIA honors the teams that are celebrating their 50th championship anniversary every year. They would like to reunite members of the 1968 Coolidge team during the 3A state championship game in November for a halftime celebration.

If you were a part of this team, please contact Kylea De La Rosa in the Athletic Department at the Coolidge High School. AIA is requesting contact information for the team members and coaches. Please either call Kylea at (520) 723-2308 or email her at kylea.delarosa@coolidgeschools.org with information so that a proper invite can be sent out.

Please spread the word, we would love to have the opportunity to honor and celebrate this championship team at the special event.

Bear Down!
