

On-site Support Services

Executive Order 2020-51 on July 23, 2020 requires schools to provide on-site support services so that students who need a place to go or who have specific needs are well-supported and schools are enabled to continue effective distance learning successfully for all students.

School districts can prioritize and manage where and how these on-site support services are provided by assessing students' needs, and determining the school district available resources, funding sources, partnerships, and collaborations to meet the demand.

Dates and Times: August 17, 2020

- Monday—Thursday from 8:00 am until 3:30 pm.

Students Served: Pre-K through grade 12.

Priority of Students Served:

1. Students with disabilities as determined by an IEP team that requires in person support.
2. EL students.
3. Children that are in DCS care (foster care)
4. Children of essential workers as defined by the state/federal guidelines.
5. Children that lack internet connectivity should contact the principal of their school for options.
